## FOR IMMEDIATE RELEASE

August 26, 2009

Contact: Public Information Office, 974-5017

### Media Advisory

#### *APD and WCSO to host regional training*

The Austin Police Department and the Williamson County Sheriff's Office will host a Law Enforcement Standards Educations Training event. This training will focus on Mobile Field Force for Central Texas Law Enforcement agencies. The exercise will utilize 60 officers and cadets as role players acting as a riotous mob at a sporting event. The officers will work together as a Mobile Field Force to deal with the mob.

This training is in response to approximately 35 teams from various law enforcement agencies from across the Central Texas region that can respond and assist in mutual aid situations.

A significant part of this training will be to develop the working relationships and a better understanding of each others capabilities while forming a common expectation of what law enforcement teams should be able to achieve in mutual aid scenarios.

**Mobile Field Force training**  
**Thursday, August 27, 2009**  
**9:00 a.m.**

**RRISD Athletic Complex**  
**10211 W. Parmer Lane**

Approximately 200 officers from fifteen different agencies plan on attending. Some of the agencies include Round Rock PD, Georgetown PD, Pflugerville PD, San Marcos PD, Williamson County SO, Travis County SO, Hays County SO, and AISD PD.

**Media Advisory:** Attached is a map of the complex. Please meet APD/PIO or WCSO/PIO at 8:50 a.m. Lt. Deaton and Lt. Mahoney with Austin PD and Lt. Evans with Round Rock PD will be available to answer questions during the training.
